

Stable, secure, easy to use, no-nonsense bike rack parking. The Rib Rack is a series of the Bike Rib 1.5, inverted-U's, welded to heavy-duty channel. The Rib Rack multi inverted-U bike rack has been an industry standard for the last 24 years. **The stability of the Rib Rack makes it a good choice for bike parking corrals or in situations where anchoring is an issue.**

Available in surface mount only.
